The summer sun is in the sky
Shining, shining up so high
Making it warm for outside fun
To play at the park and run
To swim and hike and fish
And to go on a picnic if you wish
It’s summer time, the days are hot
Ice creams and cold drinks, I take a lot
The summer sun is in the sky
Shining, shining up so high

Dear Parents,

Summer vacations are around the corner and spells fun, frolic and ice-creams. While fun is intrinsic to their age, constructive activities and fruitful utilization of their time is of vital importance. It paves their way towards a bright future and a progressive learning graph.

LET’S MAKE OUR HOLIDAYS VALUABLE

It is said that a good handwriting – neat and readable is preferred. So here are some magic tips for you –

- Use a well sharpened pencil.
- Hold the pencil with light pressure.
- Distance between the pencil tip and the finger tip should be 1.5 cm.
- Both upward and downward strokes should be of the same length.
- All letters should slant to the right (15 degree).

**Practice makes us perfect.**

NOW IT’S ACTION TIME –

- Do a page of handwriting for 18 days and see the magic.
- All handwriting work to be done in a thin English note book.
- The guidelines are given below.
- Compare your handwriting from day one to the 18th day. Do you see the difference?
LOOK AND WRITE –
