

ANNUAL DAY REPORT –2017

The school driven by its values of Empower, Enthuse & Excel, measures its success by its students escalating in their respective domains, leading their way to distinctive achievements and thus maintaining its repute as **‘the Hallmark in Education’**.

The year 2016-17 was marked with numerous events and success stories.

Class Xth achieved 100% result with 50 students scoring perfect 10 CGPA.

our students of class XII who appeared for the 2016 - 17 AISSCE Examination performed exceptionally well, with 9 students securing 100 in various subjects. The school topper Rhythm Gupta secured 97% closely followed by Tushar Vohra & Aastha Bisht at 96.5%. This result has been the best with the school aggregate scaling up to all time high of 89%.

18 students are now pursuing B.Tech from prestigious IITs after clearing JEE Advance. NEET exam was cleared by 7 students who have taken admissions in the Medical Colleges of repute.

Hard work of the students and the strategic monitoring of teachers is the key to success of our students.

The school has undertaken several diverse projects with the aim of sensitizing children towards greener environment and judicious use of resources. We have gone a long way, by initiating tree plantation drive at the local level to International ENO project. Our work is recognized by various agencies of repute. The highlights of some of our school achievements are -

- The school has joined the International League of Green schools by achieving **International Eco Schools Green Flag Award along with Handprint Flags for 3 Thematic Areas** by Centre for Environment Education in association with Ministry of Environment and Forest
- The school has also been awarded the **Certificate of Appreciation** for the commendable initiative for sustainable development!!! We have received an award from **Digital World** for **ENVIRONMENT ONLINE –A Step towards Greener tomorrow**. The school, an active member of this

campaign has marched ahead in association with 157 schools across the globe. **ENO** is a global network initiated in **Finland**.

- **Digital Learning** also conferred the school with the **Green School Award – 2017**.
- School took a quantum leap on being ranked among **Top 15 Green Schools of India** by **Centre for Science and Environment** in February this year.

The real voice of discovery consists not in seeking new landscapes but in having new eyes. Trips and excursions are conducted every year keeping in mind the opportunity they present to connect with the environment on a personal level.

For nurturing the nuances of managing life better we have concentrated sessions and workshops for Life skills, in collaboration with **Max Super Specialty Hospital** and **Expressions India** on special topics like **Gender Sensitivity, Drug Abuse, Team building, Child Development & Adolescence**. We also invite resource people to conduct intensive sessions on special topics including **disaster management, first aid and health education, traffic rules, Social responsibilities, environmental studies, fire prevention, soft life skills, leadership skills, and career planning** to enumerate a few of them.

MELANGE, an annual inter-school festival provides a platform for creativity and originality that inspires the children to prove their mettle through a synergy of activities and opportunities. This year, we received an overwhelming response with more than 2000 student participants from 42 schools of Delhi / NCR region.

The school is an active member of Spic Macay, which works to promote Indian art and culture. On November 16th we, with great pride hosted a special event – **Viraasat** - a festival held all over India under the aegis of **SPIC MACAY**. Ms. Geeta Chandran, the Padamshri recipient, renowned Bharatnatyam exponent who is

celebrated for her innovative renditions encouraged the students through her magical performance and an interactive session.

The proverb ‘Empathy is the impetus for creating change ‘can be well connected with our school as the students are enthused with a spirit of lifetime service for the society with the aim to sensitize them and imbibe in them the quality of Empathy towards the community and other fellow beings. We engage our children in community outreach programs like Labor’s day, Communal Harmony and National Integration Week, Blood donation camps, Grand-parent’s day etc.

Empathy, love and care are the virtues which lay the foundation of a happy school leading to a happy society. So, we work closely with several NGOs such as Sparsh, Goonj, Hand in Hand, Salaam Baalak Trust and also Rotary Club to help the under-privileged, deprived and the physically challenged section of the society.

The success story of Seth Anandram Jaipuria is the success story of its students who are academically sensitive. As our journey continues, we take on new challenges and resolutions and reach new horizon. We know that new philosophies will be born, to be discarded, to be adopted, to succeed and to triumph.

In fact, each and every member of the Jaipuria family, our dear children, the parent fraternity, administrative, teaching & non-teaching staff all play a vital role in strengthening us as a premier institution of great repute.
