WE CREATE LEADERS THROUGH VALUE & VISION
Jaipuria Group of Management Institutions has been at the forefront of management education for almost a decade. Over the years our students have served the industry in various capacity and made the institute proud. We have been focusing on holistic education and in our endeavour to excel, we have introduced additional focus on communication and personality development, which will go to long way to prepare our students for industry.

It has been our endeavour to emphasize the importance of ethics and value education and to achieve this goal, we have tried to integrate values and ethics with various subjects and make it a way of life. I would like to thank the industry for accepting our students.

Our MBA/PGDM program is committed to excellence. It is a passion shared equally by the institute’s faculty, students, corporate sponsors and alumni who help us in nurturing future leaders who shape the fortune of the industry in the new millennium.

I extend my best wishes to you and look forward to welcoming you to join Jaipuria and contribute to our journey towards exploring new frontiers in business management.

Best of luck....
The initiatives taken by Jaipuria Group in the field of business education was inspired by their own experience in the real business world. We understand the challenges that the corporates face in fast changing business environment which is influenced by the domestic and global trends.

Indeed, we have been revisiting and restructuring our course curriculum in response to the ever changing demands of the business world. The pedagogy categorically emphasizes on improving both the domain knowledge as well as skill set of the students. We constantly facilitate a culture of experiential learning and grooming the students for practical requirements of business world.

One of the important initiatives taken by us has been in the area of imparting value based and ethically grounded education.

Our experience with the corporate world for several years has considerably influenced our methodology of training students to become responsible corporates. This has been further reinforced by the performance of our alumni who have scaled the corporate ladders and done our institutes proud.

Jaipuria Institute of Management was set up by Seth Anandram Jaipuria Education Society in 2001. It has sprawling campus spread over 5.5 acres on Delhi-Meerut link road within NCR. During this short span of 14 years, under the able guidance of the President, Dr. Rajaram Jaipuria, IIM, is being acclaimed as a leading business school in Northern India. Jaipuria Institute of Management, Ghaziabad, was established by fulfilling all the norms regarding academic, financial and social aspects set by concerned statutory bodies.

The Institute started a full time 2 years Master Degree Course in Business Administration (MBA), from the academic session 2001. These courses are duly approved by AICTE, Ministry of HRD (Govt. of India) and affiliated to UPTU, Lucknow (U.P). Moreover, Seth Anandram Jaipuria Trust and Seth Anandram Jaipuria Education Society run various reputed schools and colleges in the country. Jaipuria Institute of Management, Vasundhara, Ghaziabad aims to provide Quality Management Education to transform individual into Business Leaders, Skilled Managers & Entrepreneurs.

Jaipuria Institute of Management intends to provide and develop the capabilities of the young managers by raising their level of competence and intellect of facing various challenges in the global environment. In pursuit of excellence, the institute provides training and development services, fosters research and disseminates knowledge through publication of books, journals and magazines for the development of society at large. Jaipuria Institute of Management has established themselves as a leading management institute in the Northern India.
Jaipuria School of Business, an ISO 9001:2008 certified Institute was established in 2008 by the noted philanthropist industrialist, Dr. Rajaram Jaipuria. It is one of the leading business schools in Northern India and is the flagship Institute of the Jaipuria Group of Educational Institutions. With a sprawling campus spread over 4.5 acres on Delhi-Meerut link road within NCR, Jaipuria is fast growing as an Integrated Business School with a mandate to contribute in building knowledge capital of the country by providing world class, value based and proactive professionals. The Institute is running Post Graduate Diploma in Management (PGDM), a two year full time programme approved by AICTE.

The PGDM course of Jaipuria has been designed in such a way that the students get a right blend of strong theoretical foundations, analytical skills and their applications to the functional areas of management. Jaipuria is now moving from traditional approach of classroom teaching to Participative Learning through Case Method and experiential learning model by providing students learning opportunities through classroom interaction, peer work, 360-degree feedback and assessment, group activities, video analysis, project assignments, group coaching, case discussions, role plays, business games, simulations and academic mentoring. Moreover, Jaipuria is encouraging understanding of subjects through focused conferences, workshops, and scholarly research. All these efforts lead to “Excellence in Education and Research”.

Jaipuria will work collaboratively with Australian Vocational Training and Employment Group (AVTEG) to support the development of students by providing training and to share knowledge and experiences related to the employment for graduates. It also provides consultancy in skills development programs in multi-sectors following a unique approach to enhance the skills of the youth while meeting local industry and employers’ expectations. Jaipuria Site License agreement with Harvard Business School Publishing (HBSP) is resource which has a rich collection of Unrestricted individual Harvard Business School and available other school printed Cases and Notes, Harvard Business Review reprints, including HBR Article Collections, All HBSP Newsletter reprints, HBS Press standalone book chapters, HBSP Brief Cases, HBS Color Case items, HBS Case Videos and HBS Multimedia Cases for students & faculty.

Finally Jaipuria aims at augmenting better globalization of management concepts, tools and techniques through real life experiences. It compliments efforts to further augment holistic perspective, multi-disciplinary orientation and integrative skills, which are essential to become a practical manager.

Our teaching pedagogy equips students to deliver results through intensive experiential learning.

**Experiential and Collaborative Learning**
Experiential and collaborative learning focuses on the learning process for the students. These type of learning processes for the students creates knowledge through transformation of experience. Knowledge results from the combinations of grasping and transforming experience. Successful Jaipuria students learn how to share responsibilities with others and take advantage of each others experience and knowledge for mutual benefit - a skill directly required for their work.

**Case Study Method**
The case study method is another practical approach to provide exposure of managerial decision making and dealing with industrial nitty-gritty. Students are expected to interpret complex data and determine the best course of action to overcome an organizational issue. A case study method enables students to refine their analytical skills, decision making and strengthen their ability to work in a complex business environment.

Assignments, presentations, live and simulated projects, with periodic evaluations It ensures that student develops skills in managing time and working efficiently and effectively. This is what makes managers from Jaipuria a cut above the rest in challenging situations.

**Live projects**
At Jaipuria, students are exposed to various situational and functional live projects from the corporate world. These projects provide an invaluable opportunity for the students to be exposed to organizations with complex management issues.

Hands on experience on Decision Support Systems
It provides hands on experience over quantitative techniques used in managerial decision-making process. Students will learn from the structured educational experience developed by the faculty. It is intended for the students who want to use information technology or operations management as a decision making tool.

**Speaker Series**
Leading experts from industry, practitioners and researchers from varied fields are the knowledge partners of Jaipuria Institute of Management. They share information on current issues, best practices, challenges & opportunities of the business world on regular basis.

**Summer Internships**
With the Institute’s corporate partners stimulates professional action skills learning through the implementation of “real-world” tasks and exercises under guidance of corporate mentors and institute faculty.

**Industrial Visits**
At Jaipuria the students are provided an industrial exposure through regular Industrial visits. These visits are organized regularly with the association of our industry patrons to different areas whereby students are able to understand the functioning and processes in a more coherent manner in real world scenario.

Strategic Collaborations
Jaipuria Group has signed a Memorandum of Understanding (MoU) with Australian Vocational Training and Employment Group (AVTEG) on May 28, 2013 which is an education consultancy to develop strategic alliances between Australian Vocational Training organisations, Indian skill development organisations, Government of India, local Indian industry associations and employers to ensure better career development and skills enhancement of the Indian workforce.

We have partnered with the fastest growing business school in Europe, European Business School Paris. An MOU has been signed with them. Students who join our Course can spend a semester at EBS Paris as part of student exchange programme. They may also take internship at business houses and multinational companies operating in France through EBS. They also have the option of taking joint degrees from Jaipuria and EBS Paris.

Center for Incubation & Entrepreneurship
In order to promote entrepreneurship among our students, Jaipuria Group has established a Centre for Incubation and Entrepreneurship. The Centre helps students through innovative business idea, seed funding, incubation, mentoring, training, knowledge dissemination and research in new business domains.

Corporate Mentoring
Jaipuria Group has evolved a system of corporate mentoring for its students wherein every student will have a corporate mentor who will guide the student to understand the connect between what the corporate world needs and what they have to offer, and prepare them for the corporate world.

Special Emphasis on Ethics & Values
Introducing a core course on CSR within the curriculum, organizing special series of guest lectures on Ethical Value System for students by eminent personalities of repute. Faculty members also share the live examples from the society related to ethical and moral values. Students are divided into different groups and assigned project on moral values and give due emphasis on it. We try to inculcate among students the importance of ethical and moral value system in our life. It will help students to become responsible citizens and contribute positively to growing economy of our country.

Specialization Clubs
Jaipuria Group has taken the initiative in the formation of students clubs in the specialized areas (Finance/HR/Marketing/IB & Economics/IT). Students clubs are designed for encouraging students to participate lead and learn in their domain apart from regular curriculum. It helps in building leadership, professional and personal skills that will serve them long after the completion of course.

The clubs are formed under the supervision of faculty members and various club activities are initiated. Clubs organize a variety of events such as workshops, Marketing Fest, Post Budget Analysis, IT Fest, Seminars, and conferences that provide distinct opportunities for learning, networking, and socializing outside of the classroom.

Industry Associated Certificate Courses
Beyond University prescribed course curriculum, Jaipuria has initiated the value addition on certificate courses in association with Corporate like Liqvid on Soft skills and Corporate Communication, Copal Amba on Investment Banking and EduKart on E-commerce and Digital Marketing and Employability Skill Development to hone the employability skills of the students.

Employment Enhancement Programme
An understanding of how individuals interact and work together and how they can best contribute to the development of new ideas is essential for progress and success. Jaipuria group conducts Business Quiz, Extremore, debates, management games, Group discussion on regular basis to enhance the employment quotient of the budding managers.

Certification on Research Aptitude and Analytical Techniques
For bridging the gap between industry and academics and increasing the employability skills of students, the institute has taken an initiative by announcing a Certificate programme in Research Analytical and Aptitude Techniques for the students. It focuses on providing formal training to budding managers, with inclination for academics, industry and research. It helps in development of skills and competencies based on a sound understanding of the principles of management and methods of conducting research with scientific rigor.
The Corporate Resource Centre (CRC) is a dynamic and vibrant hub which provides plethora of support and guidance to students in process of starting their career in the corporate world. It has remained focused on developing Human Resources of the highest quality, capable of holding their rightful place in today’s intensely competitive world. It aims to create a platform where Students and Industry can come together and explore the opportunities for employment.

In the process of building relationship with industries the CRC creates a platform where industry and institute interface each other through Orientation Programmes, Guest Lectures, Industrial Visits, Seminars, HR-Summits & Management Development Programmes. CRC nurtures the concept of entrepreneurship through its different employability programmes for students. It also does new alliances with research institutions for student exchange, research, and joint collaborations.

The team of CRC consists of professionals who have a very good length of experience in industry and academics. It arranges Summer Internship of 8 to 10 weeks. It provides complete support to our students for placement through specific training on soft skills, business/interview etiquettes and by conducting other personality development programs to hone their skills according to industry needs.
