It is our conscious effort to impart quality education which enables students to develop their attributes & skills, through **Project-based learning & student-centred pedagogy** in which students are actively involved in the exploration of real-world challenges. Thus, they evolve/ as future citizens/ equipped with the essential **skills & Competencies**.

The school is a partner of **National Geographic society** and incorporates service learning in classroom teaching, **Extensive Tree Plantation Drive** is taken as **Green School in Global Community** initiative. We are also actively associated with an International movement **Fridays for Future** led by young climate activist **Greta Thunberg**.

**Ashmit Mittal & Shreyasee Jha** of class **8** are recipients of **Applied Child led Advocacy Certificate** by **Swiss Agency** and are addressed as future **‘Change Makers’** for they presented concrete solutions to the contemporary serious issues like **water crisis**, the current **public health emergency**, **climate change**, and **shortage of resources** at community level. They are responsibly working at school level to bring about change in the **lifestyles and thought process** of students.

In the rush to cover the curriculum, teaching of **mindful presence** - one of the most sensitive area is time and again ignored. With great concern for all, we have introduced **Socio-emotional learning program** this Session. I am confident that it will help our students develop strong emotional & cognitive awareness and promote a sense of well-being, confidence & joy among them.

**"There is a powerful driving force inside every child that, once unleashed, can make any dream a reality."**

The school driven by this clear vision, measures its success by its students rising high in their domains, leading their way to the top colleges and Universities, thus maintaining its repute as **‘the Stopper in Education’**. Our Chairman Sir has already announced the highest awards the school has been honored with, I would like to share a few remarkable ones.

It goes unsaid that to keep oneself rationalized and prepared for the changing trends, / workshops are essential for students as well. We have engaged top agencies to conduct concentrated sessions on a wide-range of topics including **health education, Social responsibilities, environmental studies, soft life skills, leadership skills, Career Counseling** for students.

We work **hand in hand** with **community** to meet the mutual goals - safety, support & respect for all. Students connect with a broader community- health and social agencies, youth development organizations and community groups all organized around a common goal concern, awareness and empathy towards every creation of God. Our association with **Rotary Club-** various NGO's -**HelpAge India, Pardada-Pardadi, Goonj** & a few orphanages, complements the academic curriculum with a wider range of services and activities like **Blood Donation Camps, Tree Plantation Drive, and crowd funding for social causes**.

**Virasat**, under the aegis of **SPICMACAY**, a festival comprising performances and workshops, is held every year in our school. This year **Rani Khanamji**, India's foremost **exponent of Kathak** enthralled the students by her lecture and performance. She forays into the realm of dance with a **spiritual thought-** a philosophy that illuminates the path for eternal happiness.

Mega and micro events began to roll with renewed energy on Republic Day when the school became a proud host to **"Paint and Celebrate Patriotism."** On 3<sup>rd</sup> & 4<sup>th</sup> August, in

the memory of our founder Chairman, Dr. Rajaram Jaipuriaji, **Jaipuria Model United Nations Conference**, a two-day **student driven** event was hosted wherein 300 exuberant participants from 15 schools participated.

In October another 2-day Inter school cultural event **MELANGE**, was organized to give platform to 2000 students from Delhi, NCR.

**Grandparent's day** is also celebrated annually, to show gratitude for the unconditional love they shower on their grandchildren.

The school hosted **CBSE Regional Science Exhibition** on 29&30 November to promote practical learning of Science & Technology among school students. The event saw participation of over 180 exhibits and left the chief guest, **Dr. Joseph Emmanuel**, Director Academics CBSE and the eminent judges awe-struck at the original, Technological & Innovative ideas of the students.

Throughout the year students get opportunity to participate in intra-class, inter house and inter school events which enable them to grow in confidence, redefine the inherent skills, & enhance their all-round development. Our students participated in several competitions at the city, state, national & International level and bagged top most prizes. **I would request all to kindly visit the website of school and also the Facebook page to cherish the success stories of our students.** You can also refer to **Ignite**, the school magazine, which you will receive shortly.
