**Dear Parent,**

We hope your child has a relaxing holiday this summers. However please keep the following points in mind.

One of the main reasons why any parent puts their child in a boarding school is to witness a transformation in the child's personality. The discipline and regular routine, academic focus, participation in several activities, doing small tasks on their own, are all attempts to make the children independent and self reliant. Life in a boarding is a fulfilling one, where children forge life long friendships, and spend their time, away from distractions, in a useful way. Kindly ensure that-

- 1- Your son wakes up early and goes to bed on time.
- 2- Avoids unnecessary time on electronic gadgets.
- 3-Engages in sports and physical activity.
- 4- Helps out in household tasks and does his own jobs himself, like arranging his cupboard, laying the table or making his bed.
- 5-Follows a fixed study routine and does his holiday home work as per instructions.
- 6- Kindly take time out to travel. It's a great learning opportunity.
- 7- Talk with your child and share experiences.
- 8- Read good stories together.
- 9- Fathers please take your child to your workplace for a week and encourage them to ask questions about your work and learn.
- 10- Mothers please cook snacks or meals together with your sons. It will be great fun.

The school will re- open on 2<sup>nd</sup> July 2018. All boarders must report back on 1<sup>st</sup> July 2018 by 3.00 pm.

Greetings for a wonderful holiday

**Regards**

Dear Parents

Greetings on Rakshabandhan!

1. Please note that the children are in the middle of Unit Tests. While it is important that they relax and enjoy the festivities of Rakshabandhan, a routine **MUST** be followed and the children must engage in at least three to four hours of study.
2. We have noticed that some of the boarders use foul language which has a bad impact on other students. Similarly though we insist on spoken English, some of your wards do not follow the instructions given. Kindly counsel your child to be obedient and respectful.
3. Any alteration of school pants to make it “narrow” will be dealt with strictly. Please ensure that the school pant is as prescribed.
4. All the boys must have a haircut during these holidays.
5. Last but not the least, the health of a child is of utmost importance. You are requested to consult your family physician at regular intervals and have a periodical **de-worming** done of your ward in the prescribed time frame. It will not only help the child gain valuable nutrients from food but would also help him fight common infection.

**Warm Regards,**

Dear Parents

Please note

A boarding, is a place which you as parents choose to send your child to, for several reasons. Improved academic performance participation in several co-curricular activities, building of life skills and attitude, qualities like confidence and independence are some of them.

However, many of you do not follow the rules given. Please note that we have limited seats in the hostel and those children who have exhibited indisciplined behavior repeatedly, or not followed school rules, taken frequent leaves or repeatedly reported back late from outings will not be continued in the hostel next session.
